Profile

Forward-thinking graphic designer with experience doing in-house design for a national company. Able to organise effectively, communicate well and prioritise workload to meet deadlines. Diverse range of skills including website and email design, coding, photography, image editing, publication design and print. I'm currently seeking a challenging position within the design and media sector that will capitalise on my creative flair in a busy studio environment.

Profile skills

- Extensive knowledge of Adobe CS6: Photoshop, Illustrator, Dreamweaver (HTML and CSS), InDesign and Flash
- Proficient in Microsoft Windows and Apple Mac operating systems (Office and iWork)
- Good understanding of layout for both web and print design
- Strong drawing ability and visual concept skills

Education

- University of Worcester BA (Hons) - Graphic Design and Multimedia
- Gloucestershire College HND - Graphic Design and Multimedia
- St Peter's Sixth Form Centre A-Levels - Art, Product Design, Media Studies, ICT
- St Peter's RC High School 10 GSCE's - A-C
